

Exemptions from SQA CLC Diplomas – Students with other Legal Qualifications

Exemptions

Qualifications providing full exemption for one or more SQA unit(s) are shown below. To claim exemption students should provide their chosen training provider with evidence of prior achievement i.e. a copy of the qualification certificate and transcript.

When claiming exemption towards an SQA unit the training provider should complete the 'Exemptions from SQA CLC Diplomas' Form and submit this along with evidence of prior achievement e.g. a copy of qualification certificate and transcript to SQA. In addition, the training provider should **enter and result** the student for the relevant SQA unit as detailed in the exemptions tables shown below. The 'Exemption from SQA CLC Diplomas' Form should be submitted to SQA the **same day** as the entry and result is processed to avoid being charged for the unit. Training providers entering students for exempted units will not be charged for those entries by SQA.

Documentation to be retained

Training providers should retain all documentation relating to the legal qualification in question (qualification certificate and transcript) as evidence of exemption from an SQA unit(s), as this will be required during any verification visit. The documentation should be retained for a minimum of three weeks from the date of completion of the **overall** Diploma qualification, or unless a verification visit has been arranged by an SQA external verifier, in which case it must be retained for the external verification visit itself.

Important note

Students transitioning from other legal qualifications to SQA must achieve at least one SQA unit without exemption to be awarded an SQA Diploma.

STEP Qualification Holders Applying for a First Qualifying CLC Licence

Holders of STEP qualifications who intend to apply to the CLC to become a licensed probate practitioner, should ask their training provider to contact the CLC licensing team on licensing@clc-uk.org to confirm the academic requirements for a first qualifying probate licence based on their individual circumstances before completing their registration.

Qualified Lawyers wishing to apply to the CLC for a Licence

Solicitors and FCILEx with a current practising certificate wishing to apply to the CLC for a Conveyancing or Probate Licence will be exempted from the Level 4 stage of the educational requirements.
