PART 1 – PRACTICE REGULATORY ACTIVITY INDICATORS

1.1 Overview

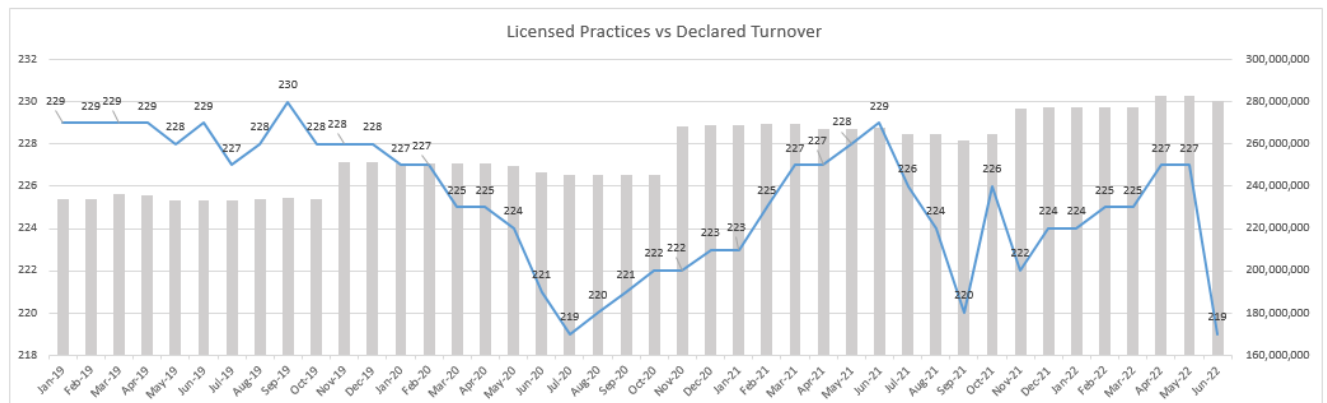

The table below summarises the number of CLC regulated practices by legal structure and regulatory authorisation as at 30 June 2022.

Practices by Entity Type	Recognised Body	ABS	Total
Limited Company	91	77	168
Limited Liability Partnership	10	5	15
Partnership	11	0	11
Sole Practitioner	25	0	25
Total	137	82	219

The distribution of practices by turnover banding is summarised below.

Turnover band	Total
<£100k	21
£100-£500k	114
£500k-£3m	67
£3m<	17
Total	219

The chart below shows the trend in number of practices under regulation as well as the total declared turnovers. Although the number of practices under regulation has shown a downward trend, the turnovers of practices under regulation has been increasing over the period.

1.2 Activity Indicators

The tables below summarises the new practice applications in progress, and processing time of the completed applications in the year to date.

2 PART 2 – INDIVIDUALS REGULATORY ACTIVITY INDICATORS

2.1 Overview

The table below summarises the number of individual license holders by authorisation and license type as at 30 June 2022.

Individual Licence Holders	Employed	Manager	Total
Probate	1	6	7
Conveyancing	1225	260	1,485
Probate & Conveyancing	34	34	68
Total	1,260	300	1,560

The chart below shows the trend of the number of individual license holders. As at 30 June 2022, there are 1,560 licensed individuals.

We see an annual drop-off in license holders at the license renewal point. This is caused by individuals that do not renew their license because of retirement, death, parental leave or leaving the profession.

2.2 Activity Indicators

The table below summarises the individual applications in progress as at 30 June 2022.

Individual application processing time (In Progress)	<30 days	31-60 days	61-100 days	100+ days	In progress - Q2	In progress - YTD

PART 3 – SUPERVISORY ACTIVITY

3.1 Inspections

The table below summarises the number of practice inspections undertaken against the budgeted plan:

Inspection plan	Q1	Q2	Q3	Q4	Total
Budgeted inspections	5	13	17	15	50
Actual inspections	7	11			18
Variance	2	-2			

The table below summarises the type and outcome of inspections completed year to date. 10 reports have not been issued yet and have not been included in the outcome section of the table.

	January	February	March	April	May	June	July	August	September	October	November	December	Total
Inspections summary													
Routine inspections	1	1	5	1	6	3							17
Targeted Inspections					1								1

Overall Compliant			1	1		1							3
Overall Generally Compliant			1										1
Overall Non-Compliant	1		2										3

The compliance level is only shown for reports that have been completed and sent to practices.

3.2 Accountants' reports

The table below summarises the status of Accountants reports for the last six financial years:

Accountants Report	FYE 2016	FYE 2017	FYE 2018	FYE 2019	FYE 2020	FYE 2021	FYE 2022
Received - late	51	72	60	73	76	35	-
Received - on time	175	158	157	133	124	173	10
Not received - overdue	0	0	0	0	0	15	-
Not Received - closed	3	16	10	14	3	4	-
Not Yet Due	-	-	-	-	-	0	217
Total Reports Expected	229	247	227	220	221	223	227
Qualified reports	64	61	55	36	30	15	1
Qualified rate (received)	28%	27%	25%	17%	15%	7%	0%

All qualified reports are reviewed and logged immediately to determine what action needs to be taken. Action is dependent on the type of breach (significant or trivial), whether it was accidental or negligent and if it has been resolved. Action would include asking for further details or scheduling a targeted inspection. The most common reasons for qualifications include:

- Bank reconciliations prepared late or incorrectly
- Receipt and payment made from client account in contravention of the accounts code

- Issues with the office side of the client account.

PART 4 – DISCIPLINARY ACTIVITY

4.1 Disciplinary

The table below reflects the disciplinary cases in progress and concluded as well as the time elapsed (under investigation) or time take to finalise (completed).
