

## Education and Training Update

### Alternative routes to qualify as a CLC lawyer

**Purpose:** For decision.

**Author:** Deputy Director of Authorisations and New Business

**Approver:** Chief Executive

---

#### Summary

This report provides an update on current Education and Training matters.

#### Recommendations

We are seeking agreement in principle from Council for the CLC to widen routes to qualify as a CLC lawyer.

#### Risk Management

Risk Management implications are included within the attached report.

#### Financial impact

The financial impact of establishing alternative routes to qualify as a CLC lawyer are included within the report.

#### Diversity and Inclusion Impact

There is no impact arising from the report in this paper. The successful delivery of education to CLC qualifications to a diverse cohort is an important part of securing a diverse and vibrant profession.

#### Communication Requirements

None for the purposes of this report.

#### Publication

This report is not for publication as it is a policy discussion paper and contains commercially sensitive information. Subject to the Council's decision, wider routes to qualify as a CLC lawyer will be published in due course.
