Once your application has been approved, we will send you an email attaching your Certificate of Registration. Technicians will be removed from the register automatically when they are approved for their CLC Qualifying Conveyancing Licence and become a Licensed Conveyancer.

2. THE STATEMENT

Submission of a certified statement evidence that you have been in full or part time, paid or voluntary employment assisting in the provision of conveyancing services, supervised by a line manager that is an Authorised Person.

3. AUTHORISED PERSONS

Qualifying Authorised Persons is an “Authorised Person” i.e. a licensed conveyancer, a solicitor, or a CILEX Lawyer (Conveyancing Practitioner and Fellow), licensed by a regulatory body in England and Wales to offer conveyancing services directly to the public.

- They should hold a current and valid licence, free of conditions.
- They may not certify a SoWE when they are the subject of any regulatory or disciplinary investigations, allegations, or proceedings during the period of supervision.
- They are the individual that is providing legal supervision to the technician during the period of their qualifying employment.
- They should be employed by the Qualifying Employer. This means being either a) as a direct line manager or b) a delegated legal supervisor. This excludes peer working arrangements, such as consultants operating as agents verifying each other’s SoWEs.

Only in exceptional and pre agreed circumstances should the Authorised Person be a relative or spouse of the applicant.

Supervision by a relative or spouse must be agreed with the CLC **BEFORE** the period of work experience commences. The applicant should email traineelawyer@clc-uk.org setting out the exceptional circumstances. We will confirm in writing whether it is agreed that the circumstances are exceptional and that the proposed supervision arrangements are satisfactory.

National Government Apprentices, on the Level 4 CLC Legal Technician route, may have their SoWE verified by a Legal Education and Training Supervisor when it is completed as part of the End-Point-Assessment.

You will be asked to submit this written confirmation with your SoWE as part of the registration application.

Please note SoWEs are routinely verified by the CLC in all licence applications.
